

The Parnell Design Plan

One level 223m² home with internal access Garage, 4 Bedrooms, 2 Bathrooms with separate W/C, Open Dining, Kitchen and Lounge, Beautifully Generous Entrance

The Parnell's look, with beautiful cladding that complements the lacework and brackets on the front verandah, makes this home a favourite.

The corrugated iron roof comes together over decorative gables and the feature of the square bay window brings it all together, making for a welcoming home. The Parnell is a delightful large family home, perfect for bringing everyone together in the spacious living areas.
